The History of broadcasting in Australia has been shaped for over a century by the problem of communication across long distances, coupled with a strong base in a wealthy society with a deep taste for aural communications. Australia developed its own system, through its own engineers, manufacturers, retailers, newspapers, entertainment services, and news agencies.

Bluster. In a year known for the Occupy movement and what became known as the Arab Spring, our lexicographers chose bluster as their Word of the Year for 2012. Here's an excerpt from our release that year that gives a pretty good explanation for our choice: 2012 saw the most expensive political campaigns and some of the most extreme weather events in human history, from floods in Australia to ...
